

# Edit Group

(Dashboard >> Groups >> Edit Group)

## Overview

The *Edit Group* interface allows you to change an existing license group name.

## Edit a group

To edit a license group, perform the following steps:

1. Select a license group from the *Group* menu.

**Note:**

To display license groups **without** active licenses, click *Show groups without licenses*.

2. In the *Name* text box, enter the new license group name.
3. In the *Charge Texas State Sales Tax* row, select *Yes* or *No*.
4. Click *Change* to save your changes.
